

2013 Corliss Estates Red Wine - 95pts

Multifaceted nose offers aromas of currant, black cherry, cranberry, cocoa powder, licorice and Belgian chocolate, plus a hint of tarry, earthy reduction. Wonderfully plush and utterly seamless, showing more obvious early sweetness than the Cabernet Sauvignon to its fine-grained dark fruit, chocolate and nutty oak flavors. An aromatically seductive wine of outstanding energy and finesse, this beauty finishes with noble, edge-free tannins that slowly saturate the front teeth. Should be fabulous upon its release in 2018.
